SUBJECT: Command Policy Letters in the 1st Infantry Division

1. 1st Infantry Division Policy Letters are statements of Commanding General, 1ID policy that are applicable to 1ID Major Subordinate Commands, soldiers, civilian employees, and family members. These letters are used to provide one or more of the following:

a. Policy that has not yet been published in a 1ID or higher headquarters' publication. Once the policy has been incorporated into a publication, the letter will be rescinded.

b. Command emphasis in areas that may or may not be covered in higher headquarters' publications.

c. Statements of policy concerning special-interest areas, such as equal opportunity, which are required by HQDA or Army Regulations.

2. I expect all leaders of the 1st Infantry Division, including the battery/company/troop level, to read and understand all of the policy letters published by the 1st Infantry Division. In addition, I expect the same leaders to be familiar with the policy letters published by V Corps and USAREUR, and to familiarize their troops with the existing policy letters through methods such as OPDs/NCOPDs, binders with policy letters at the SDO/CQ desk, posting policy letters on unit bulletin boards, etc.

3. To view/download policy letters from the Internet, go to the 1ID Homepage at <http://www.1id.army.mil> and click on the Command Policy Letters link on the left side of the page. This will bring up a page with links to the 1ID Policy Letters, V Corps Policy Letters, and USAREUR Policy Letters.

4. The Secretary of the General Staff (SGS), 1ID is the staff proponent for 1ID Command Policy Letters. Any recommendations, corrections, or updates to an existing division policy letter, or recommendations for a new policy letter, should be sent to the SGS for review.

5. The point of contact for this Policy Letter is the SGS, at 350-7241/45.
